Chapters 2-3: Making Inferences

Directions: Complete this sheet based on the review and the practice that we have done in class. Make sure you answer all parts of the questions. Please use complete sentences.

1. What is one inference that you can make about Bud in chapter 2? Record the quote that you used to make your inference. How does the author develop this characterization? Explain how you made your inference using your quote.

Inference:

Quote:

Development: (STEAL)

Explanation:
2. What is a second inference that you can make about Bud based on chapter 3? Record the quote that you used to make this inference. How does the author develop this characterization? Explain how you made your inference using your quote.

**Inference:**

**Quote:**

**Development:** (STEAR)

**Explanation:**
